ABOUT ME

My name is Assoïe Louvart, I am 22 years old junior designer based in Paris. Currently a fourth year student at HETIC where I learn design, web development and marketing. I am passionate about design and looking forward to work with talented people on interesting projects. I am looking for a 6-month internship from June to December 2020 as a design intern anywhere in the world.

INTERNSHIPS

DIGITAL DESIGNER

July 2019 - Novembre 2019

ET SI - FRANCE

I did my third-year internship in the company ET SI in Paris. It's a digital agency where I worked as a lead UX/UI Designer. I worked for many brands and I was able to develop my design skills in graphic design, photography and branding.

DIGITAL DESIGNER

July 2018 - September 2018

Unilog Content Solution - INDIA

I did my second-year internship in the company Unilog in India. I had a very good experience enriched professionally, personally and culturally. I worked on many projects as UX/UI Designer on redesigning their CIMM2 software, tenders and the design of B2B websites.

PROJECTS

PRODUCT OWNER & DIGITAL DESIGNER

January 2019

Yukey - FRANCE

I work as Product Owner and UX/UI Designer for the creation of a new application called Yukey. It's aims propose a new approach to the real estate market for sale from individual to individual.

DIGITAL DESIGNER

July 2018 - November 2018

Les Films Peleas - FRANCE

Peleas is a French production box based in Paris. I worked as a freelancer for the movie 'Maya' by Mia Hansen Love. For the movie I recreated 2013 journalistic websites.

DIGITAL DESIGNER

December 2017 - Jun 2018

Curry Street - FRANCE

Curry Street is an Indian restaurant based in Paris. I worked on their website and the management of their social networks.
